RE: Direct Deposit for Section 125 / 132 / 105 Reimbursements

Please direct all payments from my Section 125 HCR / DCR, Section 132 TRN / PRK, Section 105 HRA account(s) to be directly deposited into my checking/savings account. Direct deposit payments are effective 15 business days following receipt of authorization. Deposits should be posted to your bank account within 72 hours after the reimbursement date. Please view your account on-line at www.abs125.com. Direct deposit transactions will not be confirmed by mail.

Please attach a voided check (do not attach a deposit slip) to this memorandum and return to us. By attaching your voided check you will be authorizing the deposit of those payments into your account. If already utilizing direct deposit for Section 125 / 132 / 105 reimbursements do not complete authorization form unless you need to change bank account information.

The first step in direct deposit is to send a pre notification verifying account number and routing number. In accordance with NACHA rules if notification is returned from our banking partners that there is an issue reading account or routing numbers we must remove the direct deposit option from your account and you will be sent a check.
