

# Join Us For Our Pink Ribbon Bagel Event

October is Breast Cancer Awareness Month

2014 is the 13th anniversary of the Pink Ribbon Bagel which is made with cherries, cranberries and honey and shaped like the iconic pink ribbon.

During the month of October, Panera restaurants will donate a portion of the Pink Ribbon Bagel proceeds to organizations across the U.S. in support of breast cancer awareness.

This year we will accept monetary donations from employees in support of Breast Cancer awareness. Donations are optional.

Join our Wellness Initiative and stop in for a complimentary  
Bagel from Panera:
